## **Levy of Fees on Fuel Transactions**

### **1% fee on fuel transactions above Rs. 50,000**

W.e.f 4th May 2025, cumulative fuel transactions up to Rs. 50,000 in a statement cycle will not attract any fee. However, if a customer spends more than Rs. 50,000 on fuel transactions in a statement cycle, 1% Fee + GST will be levied on the cumulative spends for that statement cycle.

All the “Debit” transactions captured under Merchant Category Code (MCC) 05983, 05172, 05542, 05541 will be considered for calculation of threshold for a particular statement cycle.

Reversal transactions will NOT be considered for calculating the spends and levy of charges.
